

20 YEARS OF IMPACT

Established in 1998, Eastbrook Academy has consistently been recognized as one of the number one Christian schools in Wisconsin serving K4-12 students. As a private, Christ-centered school, the Academy supports families from diverse backgrounds in the academic and spiritual development of their children, in preparation for college and for life.

Our graduates are continuing to make their impact on our community and the world –

After graduation in 2011, Irene obtained her Master degree and is now in Thailand serving marginalized children and refugees.

Gabriel graduated in 2013 and now works for Eastbrook Church as the Head of Middle School Ministry.

Upon graduating in 2015, Zak took a gap year studying in Tokyo. He currently studies Japanese with plans to return to Japan as a missionary.

To help ensure Eastbrook Academy continues to offer an affordable, values based, college preparatory education, we are hosting our **17th Annual Gala: 20 Years of Impact** on **Saturday, March 9, 2018** at a new location, the **University Country Club**. This event has a long tradition of attracting over 250 businesses and community leaders, in addition to the friends and family of our 342 students; which represent over 33 zip codes and patronize businesses just like yours!

The success of this event depends on **YOU!** We invite you to become involved by supporting the Academy with a **donation** for the auction. Complete the attached form and return to the address listed.

Thank you for supporting our mission through your involvement in this exciting community event. Together we are impacting young people's lives and improving our community, one student at a time.

Sincerely,

Kimberly K. Carrigan
Director of Marketing and Development
